**Price:** \$10,000

**RK Ariel is the offspring of our Rose Bud and Royal Peruvian Challenger. She should produce grey when bred to grey. Both sire, dam and grand sire and dam are greys so there is a strong possibility that she will throw grey, hopefully a rose.**

**Her sire, Challenger a dark rose grey took the Blue Ribbon at the AOBA National Show in a class of 23 in 1999. We chose him to stand stud at our farm due to his wonderful fleece, proud bearing and excellent conformation. All 5 of his crias here have nice heavy bone, lovely fleece and his agreeable disposition!**

**We have three rose grey herdsires that a breeding to would compliment her fleece when she is two years old, June 2009. Crockett our Peruvian multi-champion male; Grey Cloud our half Accoyo sire with 3 Blue Ribbons and a Reserve Champion from Southern Select Show 2007. Perhaps Sir Titus, our light rose grey male with two Blue Ribbons to date, son of My Peruvian Ferrari and our best foundation female, Manzana. You choose!**

**We have a cabin available down by the alpaca pastures if you would like to come and meet them all.**

**Our farm is located two hours from Atlanta, two hours from Asheville too. Two hours from Chattanooga, out where the skies are blue. Two hours from Knoxville, if you are traveling by car, far enough from the city lights so you can see the stars.**
