Autumn Son, we call him "Bailey", is a favorite with everyone. He is easy to work with and has a human friendly attitude that is passed on to his crias. His dam, our Manzana, is a light rose gray and his sire Davy Crockett a medium silver gray. Both AOBA Blue Ribbon winners.

Two of his crias to date are Miss Ilsa Lund on the left and Shawnee, Blue Ribbon winner at the 2004 Southern Select Show and the KY. Classic 2004

Autumn Son has a 6 female to 3 male ration of registered crias at this time. We are selling "Bailey" due to having 11 other males and out of pasture room with the lack of rain in our area. I need to sell some. We have sold three of his daughters and one son.
