Carina is a sweet, curious alpaca. She has great conformation and fleece. Carina is a wonderful mother and very heavy milk producer. She was bred to Royal Peruvian Challenger and delivered an 18 lb. little girl on August 3rd, 2007. Carina will be re-bred this fall to our full Peruvian, rose grey, multi-champion Crockett. If she and her buddy Hailey, also scheduled to be bred this fall to Crockett, go to the same farm we will offer these two fine, halter trained girls at a very good package price. We have a cabin available to come visit these and 15 other fine females.
