Golden will make a great foundation female, like her dam before her.

We are pleased to offer this fine bred female for sale. She is sweet and playful, the daughter of our Sunbeam and My Peruvian Ferrari. We hired Ferrari to stand stud at our farm in 2004 because of his great show record and his so soft fiber, his gentle disposition was a pleasant bonus as well! Golden has a beautiful, soft fiber in a light fawn shade with her dams vicuna markings. She comes with a bred to our three Champion, 4 time Reserve Champion, 10 Blue Ribbons, full Peruvian rose grey herdsire, Crockett. Ultrasounded positive on 7/19 for a mid-April 2008 cria. Golden took a third place at the 2005 PAC Show because we had sheared her cria coat off in August. At the 2007 Southern Select Show Golden took a 5th in a huge class of light fawns. Amanda said "she has great body capacity and has packed on the fleece". At the PAC Show 2007 Golden took a 3rd Place in the halter class, the judge said she "had the best organized fleece". We have a copy of her sire's show record attached to our sales list.
