“Shadow” is a fine young male! This is his first show, first time off the farm but he will be brave and strong! Underneath that messy cria fleece is a beautiful medium silver fleece. His dam, our Avalon, is one of our best foundation females, an AOBA ribbon winner in her own right and a great mother. His sire, Challenger, has given his crias nice heavy bone and beautiful fleece. Challenger took the Blue ribbon at the AOBA National show in a class of 23 in 1999. Challenger is a dark rose grey so Shadow should throw grey when his time comes.

Our farm is located two hours from Atlanta, two hours from Chattanooga too. Two hours from Asheville, out where the skies are blue. Two hours from Knoxville, if you are traveling by car, far enough from the city lights so you can see the stars.
